INTRODUCTION

Good evening and a very warm welcome to **Arbour Park, the home of Slough Town FC**, for tonight's fixture between **Langley** and **Penn & Tylers Green**.

It is always a pleasure to see two local clubs face each other under the lights, and with both sides sure to be eager for the points, we expect a competitive and entertaining encounter. Arbour Park has hosted some memorable occasions over the years, and we are delighted to add tonight's game to that list.

We extend a special welcome to our visitors, **Penn & Tylers Green**, along with their committee, players, and supporters who have made the journey this evening. Local football relies so much on the loyal backing of fans, volunteers, and communities, and your continued support is what keeps occasions like this possible.

For **Langley**, this represents another opportunity to build on recent performances and to showcase the squad's togetherness and ambition. Matches like this are always determined by fine margins, and we look forward to a contest where both teams give their all right until the final whistle.

We would also like to thank everyone behind the scenes who makes nights like this possible – from match officials and ground staff to the volunteers who work tirelessly for their clubs. Your efforts are greatly appreciated.

Finally, we wish both teams the very best of luck this evening. May the players produce a game that is competitive, sporting, and enjoyable for all in attendance.

Up The MerryMakers!

All the best,
Langley FC Board

SIN BINS

Temporary Dismissals - otherwise known as 'sin bins' - are mandatory for acts of dissent across all of grassroots football.

HOW DO YOU FIND YOURSELF IN THE SIN BIN?

Players will only go into the sin bin for dissent cautions

For use of words, gestures, questioning or undermining the referee's decisions

EXAMPLES OF DISSENT:

Shouting at the referee, questioning the referee's ability, slamming the ball into the ground and sarcastically clapping a decision

DURATION OF A SIN BIN

For matches of 90 minutes, players spend 10 minutes in the sin bin

For matches of all other lengths, players spend 8 minutes in the sin bin

If the sin bin period has not expired at the end of:
1st half: Continues into the 2nd half
2nd half: Continues into extra time
Extra time: Players can participate in the penalty shoot out

THE MATCH DAY PROCESS

Dissent

Dissent caution: Referee issues a Yellow Card and directs the player to the touchline

Whilst in the sin bin, if the player commits a Yellow or Red Card offence they are sent off and can not be substituted

A player can only return to the field of play with the referee's permission at a stoppage in play

If a player receives a second Yellow Card for any type of offence, they will be shown a Red Card and dismissed from the field of play

Sin bins only apply to a player's first Yellow Card. If they receive a second Yellow Card they are dismissed from the field of play.

Offensive, insulting or abusive language and/or actions is still a Red Card offence!

Langley FC - A Brief History

Langley Football Club was founded in 2010 by two local brothers from the Langley estate, Peter and Leon Phillips, who both had professional experience within the football industry. Recognising the need for a football club in their hometown, the Phillips brothers established Langley FC as a community-centred club, enabling talented local players to participate in competitive Saturday football. Their vision was to create a club that would not only compete on the field but also embody a strong sense of community and pride in the Langley area.

Since its formation, Langley FC has grown impressively, building on each year's successes to become one of the most respected football clubs in the region. Over the past 12 years, the club has achieved many accomplishments and was awarded the prestigious FA Chartered Standard. This accolade recognises the club's high-quality football provision, commitment to best practices, and development of players at all levels. Langley FC's commitment to professionalism and community spirit has set it apart as a role model for other amateur clubs, creating a nurturing environment for players of all ages and abilities.

The club's ascent has been nothing short of remarkable. Langley FC holds a record in local football for its rapid progression from the lowest tier of amateur park football (East Berks Division 4) to playing Step 6 Football in the Combined Counties League via the Hellenic League, an achievement that few clubs can match. This leap is a testament to the club's ambition, drive, and determination to excel. Along the way, Langley FC has won every domestic honour at the local level, solidifying its reputation as a competitive force. This journey reflects the tireless efforts of players, coaches, and volunteers who have worked to make Langley FC a success both on and off the field.

Currently, Langley FC's First Team is managed by Michael Woodham, who brings a wealth of experience and leadership to the role. Supporting him is Bradlee Greenwood, who oversees the Reserves and helps foster the next generation of talent. Langley FC has a vibrant youth program managed by Adam Rathmill and Lee Payne, with Demaro Woodruffe managing the Under-18s. This structured pathway for young players reflects the club's deep commitment to youth development, ensuring that young talent is nurtured and allowed to flourish. Season after season, the youth teams continue to grow and succeed, contributing to the club's exciting prospects.

In recent years, the club has grown to a point where it now requires its own dedicated facilities to meet its expanding needs. Langley FC has secured planning permission for a new home in Langley, a project that will further strengthen its community ties and provide a lasting legacy. In the meantime, Langley FC has announced a ground-share arrangement with Slough Town FC's Arbour Park, having previously spent two seasons at Uxbridge FC's Honeycroft. The club eagerly anticipates the move to its own grounds, which will serve as a central hub for both its teams and supporters, cementing its place as a pillar of the local community.

Penn & Tylers Green FC – A Brief History

Our present club was formally established in 1905 when it is believed that it adopted its first formal constitution. It achieved its first great success in the 1911/12 season by winning the Wycombe League. This Championship side was captained by George Slade, of Slade's Garages, who later achieved fame as a champion motor cyclist and side car competitor. Like many village clubs it lost a number of its playing staff during the Great and second world wars. Indeed, the Cricket Club pavilion is a listed building and a memorial in remembrance of the lives lost French School Meadows, the home ground, takes its name from the long since demolished 18th century School catering for orphans of the French Revolution. The pupils wore a blue uniform with white feathers in their hats giving rise to the club's blue and white stripes and the club logo.

French School Meadows was purchased in 1949 (before then the team used to play on the back common) showers were installed in the 1960's, the brick building built in the 1980's and the extension developed in 2001. Prior to the building of the club house the HQ for the club was the Horse & Groom Public House. Penn & Tylers Green FC is not only one of the oldest clubs in the county, it is also one of the biggest village sides.

Every weekend some 400 children, youths and adults pull on the blue and white stripes of Penn & Tylers Green Football Club. The age range spans from the "Fantastic Footballers" (Under-5) through every age group and all the way to youth and senior footballers including girls and ladies' sections. Each team has a number of qualified, dedicated volunteers who ensure the continued success of the club. We are quite simply, the biggest organisation in the village providing vast numbers with the opportunity of participating in a marvellous team game.

The club owes a huge debt to previous committee members and volunteers who have worked tirelessly over many years to provide the excellent facilities that we all enjoy today. The function room and patio of the Sport and Social Club, provide an excellent setting for a hazy lazy afternoon, watching Football in close proximity to an idyllic setting with views over the Chilterns and areas of outstanding natural beauty. With regular quiz nights and events, and not forgetting the famous beer festival, the club is the hub of community activity. The clubhouse is also available for hire and is ideal for meetings of local clubs, societies or just to throw a great party! Given the number of Penn & Tylers Green Football Teams playing each week, it is simply not possible to accommodate all of them at our home ground. That is why we remain grateful for all local schools and recreational grounds for their continued support of the Club. However, it remains the desire of the Football Committee to ensure that as many Penn & Tylers Green teams as possible can play at French School Meadows and truly call it "home".

We continue to demonstrate our commitment in providing mini football to the children of the local area, they are our future. The club is the holder of the prestigious FA Community Charter Status and is so proud of its illustrious past but we are making enormous strides into the future. Enormous investment into the infrastructure of the club off the pitch by the way of the best pitch in the area and newly installed state of the art floodlights is now being realised on the pitch with our new senior team pathway, a Ladies team and coaches that are the envy of clubs around us. The future is very bright in Penn?

We are proud, of course, that the First Team won the Hellenic League – Division One (East) title in Season 2015/2016 and 2016/2017 and the Reserves winning the Hellenic League – Division Two (East) title in 2015/2016. The Reserves also won the Berks & Bucks Junior Cup in Seasons 2013/2014 and 2014/2015. In Season 2020/2021 the Ladies Team won the Division Three title of the Thames Valley Counties Women's Football League and gained promotion to Division One. This was surpassed when the Ladies won the Berks & Bucks Women's Trophy in Season 2021/2022. The men's First Team added to the club's trophy collection by winning the Combined Counties Football League Division One Challenge Cup in Season 2022/2023. In Season 2023/2024 the Allied Counties Team won the Under 18 Surrey County Youth Cup and the Reserves won the Thames Valley Premier League Division Two title.
