Introduction

Good Afternoon,

Firstly, I would like to welcome you all to Arbour Park today for this Combined Counties Leagues Division One fixture between Langley FC and Bagshot FC. It's great to see so many people getting behind the team online through Social Media and in person here on match days. Today's game promises to be a great fixture and one that will keep you all entertained. The two teams find themselves at opposite ends of the table at the moment but we know we can't look past this Bagshot team which possesses a number of quality players who can no doubt cause us problems if given the opportunity. So we need each and every one of you behind us to make sure that the boys are roared on to victory.

As you may have seen we have the incredible Knife Angel sculpture still on display outside in the car park. A wonderful sculpture by Alfie Bradley was created using bladed weapons handed over at amnesty events around the country. We are proud as always to support this cause as we aim to make our streets safer for everyone.

Once again I thank you for your attendance today and hope that you have a wonderful day.

Langley FC - A Brief History

Langley Football Club was first formed in 2010 by two local Langley estate brothers, Peter and Leon Phillips. The Phillips Brothers both had experience and professional backgrounds within the footballing industry. The brothers decided to start up a local team within their home town of Langley.

Langley FC started out as an amateur club to provide Saturday football for local talented players but since the start of the club opening, the past 12 years have seen the club continuously grow and build on its success year after year. Langley FC has become a highly successful and respected football club that has been awarded the FA Chartered Standard which recognises high quality provision.

Langley FC currently holds the record for local football, from going from the bottom of amateur park football (East Berks Division 4) to now playing Step 6 Football in the Combined Counties League via the Hellenic League. This is certainly a step up for our young club after winning every domestic local honour.

The senior team is currently managed by Aaron Samuel, assisted by William Rice-Quaidoo and Tom Ford. The Club is certainly an exciting one to be around and has ambitious plans for the future. Langley FC values family and community and is very proud of its thriving full and successful youth setup, which is overseen by Adam Rathmill and the Under 18s coached and managed by First Team Manager Aaron Samuel.

The youth teams continue to grow and progress season after season. The club has secured planning permission and hope to move to our new home in Langley in the near future. We are currently in our third season of a ground-share with Slough Town FC's Arbour Park having spent two seasons at Holyport FC.

We would like to take this opportunity to thank all of our sponsors: Lightwork Digital Influence, Thomas Metal Recycling, Glenn Flegg & Company, Main Unit Location Services, Brothers Ceka Builders, Rest & Rejuvenation and Nick's Fish & Chips.

Bagshot FC – A Brief History

The football club was established in 1906, and for many of the early years the team played in the local Ascot and Woking district leagues. In that period the club played matches at Pennyhill Park and Connaught Park in the village.

In the late 1970s the club were permanently based at the Pennyhill Park ground, College Ride. In 1982 the club were promoted to the Surrey Intermediate League, and each year won successive promotions. The club won the Senior Division championship in 1986–87 and were then promoted to the Surrey Premier League (later to become the Surrey Elite League). The club were also Surrey County cup semi finalists in 1985 and 1986.

After more successful seasons in the Surrey Intermediate League the club then moved to the Berks and Bucks league, with the highlight winning the Maidenhead Norfolkian cup in 2007 before leaving for the Aldershot & District League. After winning Division Two in 2005–06 they were promoted to Division One, which they won in 2008–09, earning promotion to the Senior Division.

They subsequently won the Senior Division and the Surrey Intermediate Cup in 2011–12, before going on to win both the Senior Division and Senior Division Cup double in both 2012–13 and 2013–14, along with the Aldershot Cup.

After winning the Senior Division again, in 2016 the club were promoted to Division One of the Combined Counties League, playing at step 6 for the first time in their history. After being in the running for promotion in their first season they finished a creditable 8th place.

This is all due to the hard work and time that the Wickens family have put into the club over the last 40 years, for which Chairman John Wickens received the Surrey FA Award for Outstanding Contribution to Community Football in 2017.
