Langley FC - A Brief History

Langley Football Club was first formed in 2010 by two local Langley estate brothers, Peter and Leon Phillips. The Phillips Brothers both had experience and professional backgrounds within the footballing industry. The brothers decided to start up a local team within their home town of Langley.

Langley FC started out as an amateur club to provide Saturday football for local talented players but since the start of the club opening, the past 12 years have seen the club continuously grow and build on its success year after year. Langley FC has become a highly successful and respected football club that has been awarded the FA Chartered Standard which recognises high quality provision.

Langley FC currently holds the record for local football, from going from the bottom of amateur park football (East Berks Division 4) to now playing Step 6 Football in the Combined Counties League via the Hellenic League. This is certainly a step up for our young club after winning every domestic local honour.

The senior team is currently managed by Aaron Samuel, assisted by William Rice-Quaidoo and Tom Ford. The Club is certainly an exciting one to be around and has ambitious plans for the future. Langley FC values family and community and is very proud of its thriving full and successful youth setup, which is overseen by Adam Rathmill and the Under 18s coached and managed by First Team Manager Aaron Samuel.

The youth teams continue to grow and progress season after season. The club has secured planning permission and hope to move to our new home in Langley in the near future. We are currently in our third season of a ground-share with Slough Town FC's Arbour Park having spent two seasons at Holyport FC.

We would like to take this opportunity to thank all of our sponsors: Lightwork Digital Influence, Thomas Metal Recycling, Glenn Flegg & Company, Main Unit Location Services, Brothers Ceka Builders, Rest & Rejuvenation and Nick's Fish & Chips.

Rayners Lane FC – A Brief History

Rayners Lane Football Club was established in 1933. By the 1960s the club had joined the Spartan League. The club left the league in 1970 but returned for two seasons between 1973 and 1975, during which time they reached the Second Round of the FA Vase. They joined the Hellenic Football League Division One in 1978, winning the league in 1981–82 and gaining promotion to the Premier Division. The club entered the FA Cup in the late 1980s and early 1990s, reaching the Second Qualifying Round in 1992–93. The club remained in the Premier Division until being relegated in 1994 due to not having floodlights. After two seasons in Division One, Rayners Lane left the Hellenic League and joined the Middlesex League. In 1998, the club joined the Chiltonian League Premier Division, which merged with the Hellenic League after two seasons. Rayners Lane was placed in Division One East.

In the 2012–13 season manager Dene Gardner guided Rayners Lane to the Hellenic Football League Division One East title, which would've seen the club promoted to the Hellenic Premier Division, however, they were denied promotion due to ground grading issues. Gardner departed the club and was replaced by Mick Bradshaw. Rayners Lane remained in Division One East until the end of 2016–17 when they were transferred to the Spartan South Midlands Football League.

In June 2017, David Fox was appointed as the club's new manager. He guided the Lane to 13th and 12th place finishes respectively in his first two seasons. The 2019–20 season saw Rayners Lane challenge for promotion, with the club sitting in 4th place before the season ended due to the COVID-19 pandemic.

The club transferred to the Combined Counties Football League for 2021–22. In October 2021 David Fox left his position as manager and was replaced by a management team of Ben Hanley and Warren Gaddy. Rayners Lane qualified for the playoffs, finishing the season in 4th place before losing to eventual winners Wallingford Town in the semi-final. Hanley and Gaddy subsequently departed the club and were replaced by Scott Patmore.
