# Langley FC - A Brief History

Langley Football Club was first formed in 2010 by two local Langley estate brothers, Peter and Leon Phillips. The Phillips Brothers both had experience and professional backgrounds within the footballing industry. The brothers decided to start up a local team within their home town of Langley.

Langley FC started out as an amateur club to provide Saturday football for local talented players but since the start of the club opening, the past 12 years have seen the club continuously grow and build on its success year after year. Langley FC has become a highly successful and respected football club that has been awarded the FA Chartered Standard which recognises high quality provision.

Langley FC currently holds the record for local football, from going from the bottom of amateur park football (East Berks Division 4) to now playing Step 6 Football in the Combined Counties League via the Hellenic League. This is certainly a step up for our young club after winning every domestic local honour.

The senior team is currently managed by Aaron Samuel, assisted by William Rice-Quaidoo and Tom Ford. The Club is certainly an exciting one to be around and has ambitious plans for the future. Langley FC values family and community and is very proud of its thriving full and successful youth setup, which is overseen by Adam Rathmill and the Under 18s coached and managed by First Team Manager Aaron Samuel.

The youth teams continue to grow and progress season after season. The club has secured planning permission and hope to move to our new home in Langley in the near future. We are currently in our third season of a ground-share with Slough Town FC's Arbour Park having spent two seasons at Holyport FC.

We would like to take this opportunity to thank all of our sponsors: Lightwork Digital Influence, Thomas Metal Recycling, Glenn Flegg & Company, Main Unit Location Services, Brothers Ceka Builders, Rest & Rejuvenation and Nick's Fish & Chips.

# Sandhurst Town – A Brief History

Sandhurst Football Club was formed in 1910 and played in the Reading & District League until 1979 apart from a short spell in the East Berkshire Football League. In 1979, the Club was elected into the Aldershot & District Football League. 1984 saw the Club finish as runners-up from whence they became founder members of the Chiltonian Football League and a stepping-stone toward becoming a senior club.

The best season in the Chiltonian Football League was in 1986–1987 when they finished in second place. In 1990 the Club applied for membership of the Combined Counties Football League and were granted senior status by the Berks & Bucks County Football Association. The first two seasons were disastrous finishing in bottom place on each occasion and only escaped relegation back to the Chiltonian Football League at the end of the second season due to the resignation of another member club. However, the form of the Club improved dramatically thereafter over a number of years with managers Peter Browning and subsequently John Underwood bringing the club cup and league success.

The first ground used by the Club was a field adjacent to the Bull & Butcher public house that may well have been used as the club headquarters. After a few years, a move was made to the Memorial Park where the Club remained until the 1996 close season, apart from a couple of seasons during the 1950's spent on a nearby pitch in St. John's Road.

The introduction of the National Lottery prompted an immediate bid for funding for a new ground in Bottom Meadow adjacent to the Memorial Park. With support and backing through additional matched funding from Bracknell Forest Borough Council and Sandhurst Town Council, the Club was successful in the first round of allocations by the National Lotteries Charities Board. The new facilities opened in August 1997 at a cost of £265,000. The club celebrated it's Centenary season in 2010/11 winning the Combined Counties League Cup final and getting through to two other semi-finals.

This year the club celebrates 110 years of football in the community. Whilst the CoVid-19 pandemic brought last season to a premature close in March and our planned anniversary celebrations/ events to be put temporarily on hold there has been a lot of positive and exciting things happening in the background at the club. Aimed at ensuring the longevity of the club for a further 100 years and beyond a major relaunch of the club and a project is in hand on two fronts namely significantly improving, upgrading, and enhancing our facilities at Bottom Meadow as well as placing a major emphasis going forward on the values of education and further enhancing the social and community value of sport in Sandhurst.

In 2020 the club joined The SB Group and through the group's academy (The SB Group Sport & Educational Academy) it offers a pathway into men's football for both local and global students. Current manager Matt Cronan who works full time in the SB Group Academy took charge of the team at the start of the 2021/22 season and along with his management team they continue to develop and build the squad, blending experience with the talented youth coming through the academy.
