Introduction

Hi Everyone,

Firstly, I welcome all new and old faces to Honeycroft. I hope we have a great game of football and you have a brilliant day.

The recap the last few weeks at Langley have been a rollercoaster of emotions, going through into the next round of the Cup (we face Flackwell Heath next!!), a late 4-3 win against a strong Westside FC and most recently losing to league leaders Amersham Town.

Today we welcome Berks County FC, We've had some incredible games against them in recent years and a club I have huge respect for both on and off the pitch. Again, we see Berks County fighting for a promotional push, where we knocked them out in the semi-finals last season and again they're coming to Langley as strong contenders in the final playoff push. Berks County has been consistently solid this season, so I'm expecting this to be another thrilling game.

If you see me or any of the team walking around, please stop us for a chat. We live and breathe the #OneClub Motto!
#UpTheMerrymakers

All the best,

Chris Smith

Langley FC - A Brief History

Langley Football Club was formed in 2010 by two local Langley estate brothers, Peter, and Leon Phillips. The Phillips Brothers both had experience and professional backgrounds within the footballing industry. The brothers decided to start a local team in their hometown of Langley.

Langley FC started as an amateur club to provide Saturday football for talented local players but since the start of the club opening, the past 12 years have seen the club continuously grow and build on its success year after year. Langley FC has become a highly successful and respected football club that has been awarded the FA Chartered Standard which recognises high-quality provision.

Langley FC currently holds the record for local football, from going from the bottom of amateur park football (East Berks Division 4) to now playing Step 6 Football in the Combined Counties League via the Hellenic League. This is certainly a step up for our young club after winning every domestic local honour.

The senior team is currently managed by Max Johnson and Tom Ford. The Club is certainly an exciting one to be around and has ambitious plans. Langley FC values family and community and is very proud of its thriving full and successful youth setup, which is overseen by Adam Rathmill and Lee Payne with the Under 18s managed by Mentesh Mentesh of Harrow United.

The youth teams continue to grow and progress season after season. The club has secured planning permission and hopes to move to our new home in Langley soon. We are currently in our first season of a ground-share with Uxbridge FC's Honeycroft having spent three seasons at Slough Town FC's Arbour Park.

Berks County – A Brief History

Celebrating over a decade of bringing football to the community, Berks County started life as two football clubs with similar philosophies – to have fun whilst keeping fit in a friend-centred environment.

Sunninghill Saints began with two teams made up of local primary schools whilst, at the same time, Bracknell Rovers were a club with two junior and adult teams but wanted to provide a senior pathway for youth teams in the local area.

As Berks County's first team has developed over the last four seasons so has a new performance-centred approach, offering football to not just those at a participation level, but to players looking to develop their game at all ages and abilities.

Berks County now has 35 diverse teams of all ages and is proud that this year, the players in the original junior teams have had the opportunity to progress through the club into the senior sections.

This season is the club's second at Step 6 as Berks County look forward to developing into a well-established non-league club.
