Langley FC - A Brief History

Langley Football Club was formed in 2010 by two local Langley estate brothers, Peter, and Leon Phillips. The Phillips Brothers both had experience and professional backgrounds within the footballing industry. The brothers decided to start a local team in their hometown of Langley.

Langley FC started as an amateur club to provide Saturday football for talented local players but since the start of the club opening, the past 12 years have seen the club continuously grow and build on its success year after year. Langley FC has become a highly successful and respected football club that has been awarded the FA Chartered Standard which recognises high-quality provision.

Langley FC currently holds the record for local football, from going from the bottom of amateur park football (East Berks Division 4) to now playing Step 6 Football in the Combined Counties League via the Hellenic League. This is certainly a step up for our young club after winning every domestic local honour.

The senior team is currently managed by Max Johnson and Tom Ford. The Club is certainly an exciting one to be around and has ambitious plans. Langley FC values family and community and is very proud of its thriving full and successful youth setup, which is overseen by Adam Rathmill and Lee Payne with the Under 18s managed by Mentesh Mentesh of Harrow United.

The youth teams continue to grow and progress season after season. The club has secured planning permission and hopes to move to our new home in Langley soon. We are currently in our first season of a ground-share with Uxbridge FC's Honeycroft having spent three seasons at Slough Town FC's Arbour Park.

Reading City FC – A Brief History

Reading City Football Club, also known as The Citizens, is a football club based in Reading, Berkshire, England. The club was established in 2001 as Highmoor Ibis by a merger of Highmoor and Ibis, both of which were playing in the Reading Senior League. Highmoor was in the Senior Division and Ibis was in the Premier Division. Ibis had also previously played in the Chiltonian League. The new club took Highmoor's place in the Senior Division and were league champions in 2003–04 without losing a match. They won the Reading Senior Cup in 2005–06, beating Woodley Town 4–1 in the final at the Madjeski Stadium.

After finishing as runners-up in 2006–07 and 2008–09, Highmoor were champions again in 2010–11, earning promotion to Division One East of the Hellenic League. In their first season in Division One East they finished as runners-up and were promoted to the Premier Division. They were Premier Division runners-up in 2014–15. In June 2018 the club were renamed Reading City. At the end of the 2020–21 season, the club were transferred to the Premier Division North of the Combined Counties League.

The club played at Scours Lane until 2011 when they were forced to leave to take promotion to the Hellenic League as the ground did not have a stand or floodlights. Instead, the club moved to the Palmer Park Stadium, a general-use stadium including a 780-seat stand and an athletics track around the pitch. However, in 2016 the club returned to Scours Lane as the ground had been upgraded to the required standards. The ground was also renamed the Rivermoor Stadium.

In terms of their performance in national competitions, their best FA Cup performance was reaching the Second qualifying round in the 2023–24 season. Their best FA Vase performance was reaching the first round in the 2013–14, 2014–15, 2015–16, and 2023–24 seasons.
