INTRODUCTION

Good afternoon and welcome to Honeycroft for today's league fixture!

It's a great Saturday for football, and we're set for an exciting challenge as we welcome Belstone to Honeycroft. Our visitors have enjoyed a fantastic start to the season, sitting in 3rd place and firmly in the playoff hunt. We know they'll bring confidence and quality to today's game, making this a tough but thrilling contest.

For Langley, this is an opportunity to rise to the challenge and show our resilience. The lads have been working hard, and with your support from the stands, we'll be aiming to make Honeycroft a fortress this afternoon. Every point matters, and matches like these are the perfect chance to prove what we're capable of.

Thank you to everyone who's joined us today, whether you're a familiar face or a first-time visitor. Football is all about community, and it's your passion and encouragement that make this club special. Let's get behind the team, make some noise, and create an atmosphere to remember.

Grab your matchday refreshments, settle in, and enjoy what promises to be a fiercely competitive game. As always, I'll be around for a chat, so feel free to stop me and share your thoughts on the match and the season so far.

Let's make today count.

Up The MerryMakers!

All the best,

Chris Smith

SIN BINS

Temporary Dismissals - otherwise known as 'sin bins' - are mandatory for acts of dissent across all of grassroots football.

HOW DO YOU FIND YOURSELF IN THE SIN BIN?

Players will only go into the sin bin for dissent cautions

For use of words, gestures, questioning or undermining the referee's decisions

EXAMPLES OF DISSENT:

Shouting at the referee, questioning the referee's ability, slamming the ball into the ground and sarcastically clapping a decision

DURATION OF A SIN BIN

For matches of 90 minutes, players spend 10 minutes in the sin bin

For matches of all other lengths, players spend 8 minutes in the sin bin

If the sin bin period has not expired at the end of:
1st half: Continues into the 2nd half
2nd half: Continues into extra time
Extra time: Players can participate in the penalty shoot out

THE MATCH DAY PROCESS

Dissent

Dissent caution: Referee issues a Yellow Card and directs the player to the touchline

Whilst in the sin bin, if the player commits a Yellow or Red Card offence they are sent off and can not be substituted

A player can only return to the field of play with the referee's permission at a stoppage in play

If a player receives a second Yellow Card for any type of offence, they will be shown a Red Card and dismissed from the field of play

Sin bins only apply to a player's first Yellow Card. If they receive a second Yellow Card they are dismissed from the field of play.

Offensive, insulting or abusive language and/or actions is still a Red Card offence!

Langley FC - A Brief History

Langley Football Club was founded in 2010 by two local brothers from the Langley estate, Peter and Leon Phillips, who both had professional experience within the football industry. Recognising the need for a football club in their hometown, the Phillips brothers established Langley FC as a community-centred club to allow talented local players to play competitive Saturday football. Their vision was to create a club that would not only compete on the field but would also embody a strong sense of community and pride in Langley.

Since its formation, Langley FC has grown impressively, building on each year's successes to become one of the most respected football clubs in the region. Over the past 12 years, the club has achieved a string of accomplishments and was awarded the prestigious FA Chartered Standard. This accolade recognises the club's high-quality football provision, commitment to best practices, and development of players at all levels. Langley FC's commitment to professionalism and community spirit has set it apart as a role model for other amateur clubs, creating a nurturing environment for players of all ages and abilities.

The club's ascent has been nothing short of remarkable. Langley FC holds a record in local football for its rapid progression from the lowest tier of amateur park football (East Berks Division 4) to playing Step 6 Football in the Combined Counties League via the Hellenic League, an achievement that few clubs can match. This leap is a testament to the club's ambition, drive, and determination to excel. Along the way, Langley FC has won every domestic honour at the local level, solidifying its reputation as a competitive force. This journey reflects the tireless efforts of players, coaches, and volunteers who have worked to make Langley FC a success both on and off the field.

Currently, Langley FC's First Team is managed by Michael East, who brings a wealth of experience and leadership to the role. Supporting him is Bradlee Greenwood, who oversees the Reserves and helps foster the next generation of talent. Langley FC has a vibrant youth program managed by Adam Rathmill and Lee Payne, with Demaro Woodruffe managing the Under-18s. This structured pathway for young players reflects the club's deep commitment to youth development, ensuring that young talent is nurtured and allowed to flourish. Season after season, the youth teams continue to grow and succeed, contributing to the club's exciting prospects.

In recent years, the club has grown to a point where it now requires its own dedicated facilities to meet its expanding needs. Langley FC has secured planning permission for a new home in Langley, a project that will further strengthen its community ties and provide a lasting legacy. In the meantime, Langley FC is in its second season of a ground-share arrangement with Uxbridge FC's Honeycroft, having previously spent three seasons at Slough Town FC's Arbour Park. The club eagerly anticipates the move to its own grounds, which will serve as a central hub for both its teams and supporters and will cement its place as a pillar of the local community.

Belstone FC – A Brief History

The original home of Belstone Football Club was the old GEC Sports Ground in Wembley. In 1989 this became a housing estate. The teams were then nomads for a couple of seasons and the committee embarked on a search for a permanent home for the club.

Eventually a site was found that had become overgrown in Radlett, Hertfordshire. It had been a rugby pitch since 1922, more recently a football pitch until 1990. Between 1990 and 1992 the ground had not been maintained and, when first viewed, travellers had just moved off what used to be the pitch. In 1992, the club secured a lease on "The Medburn Ground" which is still home to Belstone Football Club today.

Many hours of hard work and a considerable amount of money has been spent enabling the club to build a new clubhouse and changing rooms, develop the main pitch and surrounding areas. A second pitch was added in 2012, the car park area extended and now additional pitches to accommodate the youth section and provide some of the best football facilities in Hertfordshire.

This year the club has embarked on an ambitious program of work to improve the clubs facilities in readiness for Step 6 football, should the team be successful in its application. On 30 April the Club won the HSCL Premier Division with a 2-1 win away at Oracle Components and with a game to spare thus enabling us to gain promotion from step 7 to step 6 for the first time in the club's short history.
