## INTRODUCTION

Good evening and welcome to Honeycroft for tonight's crucial league fixture!

As we gather under the Wednesday night lights, we're set for an important clash against London Samurai Rovers. Both teams have faced a tough start to the season, and with both of us close to the relegation zone, tonight's game takes on added significance. It's an opportunity for us to turn things around and start building the momentum we need.

A warm welcome to our visitors, London Samurai Rovers. We know they'll come prepared and hungry for points, making this a true test of character for both sides. But with your support, we're ready to rise to the occasion and fight for every inch.

Midweek fixtures always bring a special energy, and tonight we need every bit of it from the stands. Your cheers and encouragement make all the difference, especially in a season-defining fixture like this. Let's rally behind the lads as they push for a vital three points and take a positive step forward.

So grab your matchday essentials—a warm drink or a pint—and settle in for what should be an intense and hard-fought game. I'll be around, as always, and would love to hear your thoughts as we work together to support the team.

Let's make some noise tonight and show our opponents what it means to play at Honeycroft!

Up The MerryMakers!

All the best,

# SIN BINS

Temporary Dismissals - otherwise known as 'sin bins' - are mandatory for acts of dissent across all of grassroots football.

## HOW DO YOU FIND YOURSELF IN THE SIN BIN?

Players will only go into the sin bin for dissent cautions

For use of words, gestures, questioning or undermining the referee's decisions

### EXAMPLES OF DISSENT:

Shouting at the referee, questioning the referee's ability, slamming the ball into the ground and sarcastically clapping a decision

## DURATION OF A SIN BIN

For matches of 90 minutes, players spend 10 minutes in the sin bin

For matches of all other lengths, players spend 8 minutes in the sin bin

If the sin bin period has not expired at the end of:  
**1st half:** Continues into the 2nd half  
**2nd half:** Continues into extra time  
**Extra time:** Players can participate in the penalty shoot out

## THE MATCH DAY PROCESS

Dissent

Dissent caution: Referee issues a Yellow Card and directs the player to the touchline

Whilst in the sin bin, if the player commits a Yellow or Red Card offence they are sent off and can not be substituted

A player can only return to the field of play with the referee's permission at a stoppage in play

If a player receives a second Yellow Card for any type of offence, they will be shown a Red Card and dismissed from the field of play

Sin bins only apply to a player's first Yellow Card. If they receive a second Yellow Card they are dismissed from the field of play.

**Offensive, insulting or abusive language and/or actions is still a Red Card offence!**

# Langley FC - A Brief History

Langley Football Club was formed in 2010 by two local Langley estate brothers, Peter, and Leon Phillips. The Phillips Brothers both had experience and professional backgrounds within the footballing industry. The brothers decided to start a local team in their hometown of Langley.

Langley FC started as an amateur club to provide Saturday football for talented local players but since the start of the club opening, the past 12 years have seen the club continuously grow and build on its success year after year. Langley FC has become a highly successful and respected football club that has been awarded the FA Chartered Standard which recognises high-quality provision.

Langley FC currently holds the record for local football, from going from the bottom of amateur park football (East Berks Division 4) to now playing Step 6 Football in the Combined Counties League via the Hellenic League. This is certainly a step up for our young club after winning every domestic local honour.

The senior team is currently managed by Michael East. The Club is certainly an exciting one to be around and has ambitious plans. Langley FC values family and community and is very proud of its thriving full and successful youth setup, which is overseen by Adam Rathmill and Lee Payne with the Under 18s managed by Demaro Woodruffe.

The youth teams continue to grow and progress season after season. The club has secured planning permission and hopes to move to our new home in Langley soon. We are currently in our second season of a ground-share with Uxbridge FC's Honeycroft having spent three seasons at Slough Town FC's Arbour Park.

# London Samurai Rovers – A Brief History

London Samurai Rovers Football Club is a unique entity in the world of football, with its roots deeply embedded in the Japanese community in London. The club is based in Hanworth, a suburban area in the London Borough of Hounslow, England.

The club's journey began in 2017 with the formation of London Samurai United, a team created specifically for the Japanese diaspora residing in London. The team was initially placed in the Middlesex County League Division One, a regional football league catering to teams in and around Middlesex.

In a significant development in 2018, London Samurai United merged with another club, JL Rovers. This merger led to a re-branding of the club, and thus, London Samurai Rovers was born. The merger also marked a step up for the club as they moved to the Premier Division.

The year 2021 was a landmark year for London Samurai Rovers. The club was admitted into the Combined Counties League Division One, a step up from their previous league. This move marked a significant milestone in the club's journey, reflecting their growth and development over the years.

During their time in the Middlesex County League, the club played their home games at the Twyford Avenue Sports Ground located in Acton, a district of west London. However, in July 2021, the club announced a change in their home ground. They began ground-sharing with Hanworth Villa at Rectory Meadow, a move that was set to commence from the upcoming season.

The story of London Samurai Rovers Football Club is a testament to the club's resilience and ambition. Despite being a relatively young club, they have managed to make significant strides in a short span of time. Their journey reflects the spirit of the Samurai, constantly striving for improvement and never backing down from challenges. The club continues to represent the Japanese community in London, bringing their unique flair and spirit to the English football scene.
