## INTRODUCTION

Good afternoon and welcome to Honeycroft for today's special league fixture.

As we gather on this Remembrance weekend, we take a moment to honour those who sacrificed for our freedom. Football has its traditions, but none are more meaningful than standing together in reflection and gratitude. Please join us in observing a moment of silence before kick-off to remember those who served and continue to serve.

Today, we welcome Staines & Lammas, who arrive here in strong form, having enjoyed a solid start to the season. They sit comfortably in the top half of the table, and we're expecting a spirited and competitive contest this afternoon. The lads are ready to rise to the challenge, and your support today will be invaluable as we look to make Honeycroft a fortress.

A warm welcome to everyone joining us this Saturday, whether you're a familiar face or here for the first time. Football is more than just a game; it's about community, tradition, and shared moments, and we're grateful to have you here with us on this important weekend.

Be sure to grab your refreshments, settle in, and prepare for what promises to be a memorable afternoon of football. I'll be around, as always, and would be glad to chat and hear your thoughts.

Let's get behind the team and show our support with pride, both for Langley and in remembrance.

Up The MerryMakers!

All the best,

**Chris Smith**

# SIN BINS

Temporary Dismissals - otherwise known as 'sin bins' - are mandatory for acts of dissent across all of grassroots football.

## HOW DO YOU FIND YOURSELF IN THE SIN BIN?

Players will only go into the sin bin for dissent cautions

For use of words, gestures, questioning or undermining the referee's decisions

### EXAMPLES OF DISSENT:

Shouting at the referee, questioning the referee's ability, slamming the ball into the ground and sarcastically clapping a decision

## DURATION OF A SIN BIN

For matches of 90 minutes, players spend 10 minutes in the sin bin

For matches of all other lengths, players spend 8 minutes in the sin bin

If the sin bin period has not expired at the end of:  
**1st half:** Continues into the 2nd half  
**2nd half:** Continues into extra time  
**Extra time:** Players can participate in the penalty shoot out

## THE MATCH DAY PROCESS

Dissent

Dissent caution: Referee issues a Yellow Card and directs the player to the touchline

Whilst in the sin bin, if the player commits a Yellow or Red Card offence they are sent off and can not be substituted

A player can only return to the field of play with the referee's permission at a stoppage in play

If a player receives a second Yellow Card for any type of offence, they will be shown a Red Card and dismissed from the field of play

Sin bins only apply to a player's first Yellow Card. If they receive a second Yellow Card they are dismissed from the field of play.

**Offensive, insulting or abusive language and/or actions is still a Red Card offence!**

# Langley FC - A Brief History

Langley Football Club was formed in 2010 by two local Langley estate brothers, Peter, and Leon Phillips. The Phillips Brothers both had experience and professional backgrounds within the footballing industry. The brothers decided to start a local team in their hometown of Langley.

Langley FC started as an amateur club to provide Saturday football for talented local players but since the start of the club opening, the past 12 years have seen the club continuously grow and build on its success year after year. Langley FC has become a highly successful and respected football club that has been awarded the FA Chartered Standard which recognises high-quality provision.

Langley FC currently holds the record for local football, from going from the bottom of amateur park football (East Berks Division 4) to now playing Step 6 Football in the Combined Counties League via the Hellenic League. This is certainly a step up for our young club after winning every domestic local honour.

The senior team is currently managed by Michael East. The Club is certainly an exciting one to be around and has ambitious plans. Langley FC values family and community and is very proud of its thriving full and successful youth setup, which is overseen by Adam Rathmill and Lee Payne with the Under 18s managed by Demaro Woodruffe.

The youth teams continue to grow and progress season after season. The club has secured planning permission and hopes to move to our new home in Langley soon. We are currently in our second season of a ground-share with Uxbridge FC's Honeycroft having spent three seasons at Slough Town FC's Arbour Park.

# Staines & Lammas – A Brief History

Staines Lammas Football Club was founded in 1926 and took its name from the park land adjacent to the River Thames in Staines, Middlesex (now known as Staines-upon-Thames).

In 1927 the Club became members of the Hounslow & District League and finished runners-up in Division 2 in 1929 earning promotion to Division 1. By 1932 the club were members of the South-West Middlesex League Division 1 and added a Reserve Team in Division 2 of the Richmond & District League. In 1936 the club were finalists in the Staines Hospital Cup. A year later the Club finished as champions of the South-West Middlesex League Division 1 and earned promotion to the Intermediate Division where they remained until after the Second World War. By 1948 the Reserve Team had switched to the Hounslow & District League Division 2. In 1955 the club also entered a team in Division 1 of the Staines & District League.

In the mid-1980s the Club moved to the Laleham Recreation Ground and changed its affiliation to the Woking League (which subsequently became the Guildford & Woking Alliance League) under the jurisdiction of the Surrey County Football Association. The Club remains affiliated to both the Middlesex and Surrey County Football Associations.

The club made steady progress through the football league pyramid, eventually gaining promotion to the Surrey County Intermediate League (Western). The Club progressed through the divisions and won the Middlesex Intermediate Cup in season 2000–01 and the Division One title in season 2001–02 (there was no Premier Division at the time).

In 2000–01 the Club completed the development of its new Sports Pavilion with the financial support of local businesses and grants from the Football Association and Sport England. It was a notable success at the time and represented the first such grant awarded by Sport England in the Borough of Spelthorne. Promotion to the Surrey County Senior League followed in season 2002–03.

In season 2003–04 the Surrey Senior League amalgamated with the Combined Counties Football League forming Division One, the existing clubs forming the Premier Division. The Club settled into mid-table security and at the start of the 2006–07 season following the appointment of Nathan Wharf as its manager (former manager of Ashford Town (Middx.) Football Club) success followed.

That season the Southern Combination Cup was shared with Merstham Football Club when a date for the Final could not be agreed. In season 2007–08 the club were champions of Division One and achieved the double in 2008–9 by retaining the title and winning the Division One League Cup.

Unable to be promoted to the Premier Division as it could not meet the necessary ground grading requirements having been refused planning permission to install floodlights, the Club at the start of the 2009–10 season entered into a ground share with Ashford Town (Middx.) Football Club.

The Club entered the FA Vase for the first time in season 2010–11 and the FA Cup likewise in season 2011–12, reaching the first qualifying round losing 3–2 in a thrilling match away to Chesham United.

In season 2011–12 the Club achieved more silverware when it won both the Middlesex and Surrey County Football Associations Saturday Premier Cups a unique feat in modern times.

After careful consideration the Club decided to return its former home at the Recreation Ground, Laleham at the start of the 2015–16 season. In 2020 the club received planning permission for its long quest of obtaining floodlights.

The club was renamed Staines & Lammas (Middlesex) Football Club on the 1st of July 2022, after the demise of Staines Town F.C.
